Simple Shifts to Forge Ahead Faster™

# UNITE YOUR TEAM

## PowerPacked Communication™ Series

The PowerPacked Communication Series explores a variety of communication challenges faced by leaders, teams and organizations. Our three-part series—which includes *Ignite Your TeamPower*, *Create Results-Driven Conversation* and *Blueprint Your Breakthrough*—is structured to build on your success as you master the Simple Shifts™ that unravel the perplexing breakdowns in communication that hold back your team and your organization.

### ***Ignite Your TeamPower: Unify. Collaborate. Lead.***™

Learn sustainable strategies for working with anyone, anywhere and create buy-in for everyone involved.

1. Transform your results with your clients and colleagues—every time—with a Simple Shift™ that anyone can make, anytime.
2. Distinguish the one behavior that will make or break your success.
3. Strengthen your reputation as leaders with cutting-edge communication strategies.

### ***Create Results-Driven Conversation***™

Deepen your ability to connect with colleagues, direct reports, prospects and clients, with conversations that flow easily and effectively—and get results.

Using your biggest business challenge as a context:

1. Find out what you've been missing when it comes to the impact of your senses on your everyday interactions.
2. Discover how to turn conflict into creative solutions and innovative ideas.
3. Experience how to move beyond talking about what isn't working and focus on what you can do about it instead.

### ***Blueprint Your Breakthrough***™

The things you do really well already move you forward. When you can't break through what's stopping you, what are you missing? In this course you'll:

1. Discover how typical problem-solving strategies waste your time.
2. Easily distinguish the single most critical factor in problem-solving that facilitates accomplishing your business goals.
3. Leave this course with a plan of action for solving a current problem and have a map for exactly how to create one in the future for any situation.

## Decipher Cross-Cultural Communication™

Using three basic cultural norms as your guide, you and your team will discover how to apply the distinctions you will learn in this course to work well with anyone, anywhere, regardless of the differences in your cultural backgrounds.

## Illuminate Your Personal Brand™

Your personal brand is as distinguishable as your fingerprint. What if you could illuminate the process of how you develop that brand? Learn the Simple Shifts™ you can make to create a personal brand that makes you the one who people choose—to hire, work with, work for, promote and buy from.

## PowerSpeak™

Since 1999, 100% of PowerSpeak participants have exponentially increased their confidence, ease and skill in speaking. In this experiential session, you and your group will discover that everything you need to be successful as a speaker is right inside you—and always has been.

## PowerUp Your Networking™

In as little as four hours you can transform your experience of networking with strategic practices that get results. You'll discover your unique networking profile, how to choose the optimal events to achieve your networking goals and the one practice that will make networking effortless.
